

Bringing Unlike Minds Together ...

# the perfect destination for RESEARCH & INNOVATION

India's FIRST University based Research Park

**Collaborate & Innovate**

INDUSTRY  
ACADEMIA  
STARTUPS

*"Innovation thrives when faculty, students and industry personnel interact in a formal or informal environment."*

~ Prof. Ashok Jhunjhunwala  
Institute Professor, IIT Madras

We bring together R&D professionals from the Industry and Faculty, Research Scholars & Students from IIT Madras to accelerate and sustain innovation.

We are home to IITM-Incubation Cell, India's leading deep-tech startup hub with 200 incubated startups transforming the industry and technology landscape.

We are the seat of several IITM Centres of Excellence & Innovation Centres that collaborate with Industry and Startups defining new avenues for research.

As India's first and foremost university affiliated Technology Park, we are a bustling campus with about 3,000 professionals working across Corporate R&D Units, Multinational Research Centres, Public Sector, Government Research Institutions, IIT Madras Centres of Excellence, Laboratories and most importantly - Startups that are transforming the industry landscape and also making a social impact.

## What you can do at IITMRP

### 1 SET UP YOUR R&D CENTRE

#### INNOVATION THROUGH COLLABORATION

Engage with the brightest minds in the country. Collaborate with Faculty, Research Scholars, Students and Alumni of IITM to accelerate innovation and R&D.

#### TOP-CLASS INFRASTRUCTURE

Lively work spaces, complete with ancillary services make for an enabling environment. Interiors to suit all needs; overall upkeep and maintenance managed by IITMRP.

#### EASY ACCESS TO RESOURCES

Innovate in state of the art R&D Centres, Labs and Testing Facilities. Explore Technology developed with the expertise of IITM Faculty, for licensing and commercialisation.

#### ORGANISATIONAL SUPPORT

The IITMRP Ecosystem enables research, development and entrepreneurial endeavours through Centres of Excellence and sector specific incubators, deep-tech startups - all sustained through a unique credit point system.

### 2 GET YOUR STARTUP INCUBATED *through our deep-tech sector-specific incubators*

### 3 COLLABORATE WITH CENTRES OF EXCELLENCE & INNOVATION CENTRES

#### AMTDC

Advance Manufacturing Technology Development Centre

#### CBEEV

Centre for Battery Engineering and Electric Vehicles

#### CEWIT

Centre of Excellence in Wireless Technology

#### CUBE

Centre for Urbanisation Building and Environment

#### HTIC

Healthcare Technology Innovation Centre

#### ICCW

International Centre for Clean Water

### 4 MENTOR, COLLABORATE WITH AND FUND STARTUPS

### 5 ORGANISE & CONDUCT EVENTS *at our world class facilities*

900 SEAT auditorium

8000 SQFT pre-function area

AL FRESCO terrace

FLEXIBLE seating capacity

225 SEAT Amphi-theatre

Exhibition Halls

Conference Rooms

## OUR R&D CLIENTS SPAN A WIDE SPECTRUM

and they leverage the ecosystem to achieve their R&D goals

<b>AERONAUTICS</b>	<b>AUTOMATION</b>	<b>AUTOMOTIVE</b>	<b>BIG DATA</b>	<b>BIO TECH</b>	<b>DESIGN</b>
<b>EDUCATION</b>	<b>E-MOBILITY</b>	<b>ENGINEERING</b>	<b>FINTECH</b>	<b>ITES</b>	
<b>MATERIAL SCIENCE</b>	<b>MED-TECH</b>	<b>POLICY</b>	<b>POWER &amp; ENERGY</b>	<b>SOCIAL ENTERPRISE</b>	<b>TELECOM</b>

**We enable R&D making a global impact**

**70+** R&D Companies have chosen to conduct ground breaking research at IITMRP

**We nurture innovative entrepreneurs supporting 'Make in India'**

**200+** Startups are part of the vibrant innovation ecosystem at IITMRP

**Over the years, Research Park Clients have seen significant value from their collaborative research initiatives with IIT Madras.**

- BHEL R&D Gateway has completed 62 projects and implemented 33 of them commercially
- Saint Gobain Research India has undertaken 21 R&D projects that have resulted in launching over 20 new products in the market. 5% of SGRI's patents registered globally came from the Innovation Centre at IITMRP
- TCS has generated several patents collaborating with IITM in multiple areas including Data Centre, Power Reduction and Smart Water Networks
- Several of the IIT Madras incubated companies have become successful business entities and continue their operations from the Research Park.

## Commercials

Long Term Lease (20 Years) Up-front Payment of Rs2,800/sq.ft Monthly Charges: Rs14/sq.ft Credits 100/1000sq.ft /Year  
 Short Term Lease (3 Years) Security Deposit:10 Months  
 Option-A (Warmshell) Rs50/sq.ft month; Research Credits: 100/1000sq.ft/Year.  
 Option-B (Fully Furnished\*) Rs80/sq.ft month; Research Credits: 100/1000sq.ft/Year.

## CREDIT Point System for Sustained, Measurable Collaboration with IIT Madras
